2.4. In compliance with the Foreign Account Tax Compliance Act (FATCA), users who are US persons must provide additional information about their taxable status. Failure to comply with FATCA requirements may result in account restrictions or termination.

2.5. Moseiki reserves the right to refuse service, terminate accounts, or restrict access to the Platform to any individual or entity for any reason, including but not limited to violations of sanctions or FATCA regulations.

3. User Obligations

3.3. Unauthorized Access: You agree not to share your account credentials with others or allow others to access or use your account. You are solely responsible for any activities or actions taken under your account, whether or not you have authorized such activities or actions.

4. ID Sale

4.1. Moseiki ID and Wallet

4.1.1. Upon expressing interest in obtaining a Moseiki ID, a Moseiki Wallet will be promptly generated on your behalf, starting with an initial balance of zero. This wallet serves as a repository for funds and transactions related to your Moseiki ID.

4.1.2. You have the flexibility to deposit funds into your Moseiki Wallet using traditional payment methods such as credit cards, as well as alternative payment avenues facilitated by Stripe, including but not limited to Apple Pay, Google Pay,

and Ali Pay. Additionally, for those inclined towards digital currencies, we support deposits from recognized cryptocurrency wallets like Wallet Connect, Coinbase, and MetaMask.

4.2. Account Creation and Login

4.2.1. The process of purchasing a Moseiki ID necessitates authentication. You will be seamlessly redirected to the Login/Register interface. Here, you have the option to either log in using established credentials like your email or Google Mail or to initiate a new registration.

4.2.2. New registrants will be guided through a process where they'll set up a secure password and select their preferred payment mechanism.

4.3. Waitlist and ID Purchases

4.3.1. Prospective users have the privilege to acquire multiple Moseiki IDs. Additionally, they can enlist on our waitlist, anticipating the official launch of our application. It's worth noting that IDs specifically tailored for influencers or recognized brands necessitate a verification process, either through platform X or Instagram. However, for those who prefer a streamlined acquisition, these specialized IDs can be secured at a premium rate without the verification step.

4.3.2. In scenarios where a user has multiple IDs under their name, they can earmark one as their "Primary" ID. This designated ID will serve as their main identity when interacting with our application.

4.3.3. As we inch closer to the official app launch, specifically 20 days prior, there will be a strategic shift in our platform's presentation. We will phase out all waitlist-centric content and buttons, pivoting towards a narrative that showcases the application's myriad features. Post this transition, all ID sales will be orchestrated directly through the app. Users keen on procuring an ID post-transition can do so effortlessly by downloading and navigating our application.

4.4. Marketplace and Transfers

4.4.1. IDs that users have secured are eligible for listing on our dedicated marketplace, providing a platform for potential sales or transfers. Additionally, IDs can be transferred between accounts within our ecosystem. However, it's crucial to note that, at this juncture, we do not accommodate or process transfers originating from external platforms or sources.

5. Privacy Policy

5.1. Your use of the Platform is also governed by our Privacy Policy, which details how we collect, use, and disclose your personal information.

5.2. By using the Platform, you consent to any transfer of information outside of your country.

8.3.2. The limitations of damages set forth above are fundamental elements of the basis of the bargain between Moseiki and you. Some jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, so the above limitation may not apply to you.
